## As Far As I Am Personally Concerned

We heard a man remark—"the cost of living does not appear any higher than it did 10 years ago—in 1910 I finished the year with nothing left over and I am doing the same now."

The art of saving money by the year has always been harder to master than the violin—but the trick of saving substantially on individual purchases is comparatively easy—for example—

It is possible this month to save from \$5 to \$10 on a First Water Suit or O'coat if you are well enough acquainted in Salem to know this store's reputation for giving value.
